Class Descriptions

Slammers

Monday or Wednesday, 3:30-4:15
 Beginners (Ages 7-12)

Kids in this class have played a little but are still learning the fundamentals. We start with the basics and move onto spins, consistency, and contact points.

Spinners

Monday or Wednesday, 4:15-5:15
 Lo-Intermediate (Ages 7-12)

These kids have played for a year or two and probably have attended some sort of tennis or sports camp. They have a strong grasp of the fundamentals and can control the ball. In this class we start to work on movement and shot placement.

Titans

Tuesday or Thursday, 3:30-4:15
 Beginners (Ages 5-6)

These classes are for children who are brand new to Tennis. The Tuesday class is primarily for those with a little bit of prior experience. In this class we focus on the very basics such as positioning and ball contact. The Thursday session is for total beginners. We focus on racket handling and balance. All of the strokes will be covered in both classes, keeping in mind that the top priority is the kids' enjoyment and building confidence by playing games and concentrating on having fun.

Challengers

Tuesday or Thursday, 4:15-5:15
 Intermediate (Ages 7-9)

Primarily for kids who have a background in tennis and can already hit from the baseline and rally within the boxes. We will continue to work on hitting on the run and serving in full motion. Each session covers all of the strokes and we typically end the class with a game.

Acces

Tuesday or Thursday, 5:15-6:30
 Advanced (Ages 11-17)

This is our highest level class for juniors. Kids in this class have a solid background in tennis and have been playing or taking lessons for a few years. Skills should include fully formed strokes, ball movement and control. Most kids at this level are looking to make their middle or high school team or are playing in tournaments.
